ANNUAL TOWN MEETING, MARCH 11th, 1964

Commonwealth of Massachusetts

The meeting was called to order by Moderator Curran at 8 P.M. and stated there was a quorum present.

The Town Clerk read the warrant and the officers' return thereon.

Moderator Curran requested unanimous consent to allow WMRC to broadcast the meeting by radio and it was so granted.

The following resolution was read by Town Counsel DeCapua:

Resolution

WHEREAS, The Town of Milford, as well as the nation and the world at large, has felt and heard with deep regret the death of our President John F. Kennedy,

WHEREAS, John F. Kennedy the 35th President of the United States has served and dedicated his life to the public service of our nation, and to each and every community,

WHEREAS, that as a symbol of our respect that the business of this meeting be suspended and we stand in silent tribute to the memory of the late President John F. Kennedy,

AND BE IT FURTHER RESOLVED, that a copy of this resolution be published in the next annual Town report.

Article 1. To hear and act upon the reports of all Town Officers and Committees of said Town.

It was moved and seconded to hear and act upon the reports of all Town Officers and Committees of said Town.

The following report was read by Mr. Joseph DiAntonio:

Report of Library Building Committee

Having received a mandate from the special Town Meeting, held in August, 1963, to further the study of the Master Plan, this committee in conjunction with the Board of Library Trustees, held a meeting with Mr. James Sutcliffe, of the Economic Development Associates, Inc. of Boston, Massachusetts.

We are now awaiting a report from the Economic Development Associates, Inc. on their findings as to the best location for an adequate Library plant. The Library Building Committee anticipates a joint meeting with the Library Trustees and the Master Plan Consultant, as soon as possible after their study is completed.

The need for expanded Library facilities is, as it has been for the past 5 years very urgent.

Library Building Committee

JOSEPH DIANTONIO, *Chairman*
LEO HARLOW
IRVING W. JANOCK
WILLIAM LYONS
LEO VERRELLI

It was moved and seconded to accept the report as read.

Voted: That the reports of all Town Officers and Committees of said Town and the Town Report be accepted.

Article 2. To see if the Town will amend the Wage & Salary Schedule of the Wage and Salary Administration Plan in the following manner as recommended by the Personnel Board.

To see if the Town will adopt a resolution authorizing the Board of Sewer Commissioners to file in behalf of the Town, an application for a federal grant for Sewage Treatment Works under the Federal Water Pollution Control Act (33 U.S.C. 466 et seq.) or act in any manner relating thereto. (Sewer Dept.)

Voted: That the Town adopt the following resolution authorizing the Board of Selectmen to file on behalf of the Town, an application for a federal grant for Sewage Treatment Works under the Federal Pollution Control Act 33 U.S.C. 466:

WHEREAS, The Town of Milford, Mass. herein called the "Applicant", after thorough consideration of the various aspects of the problem and study of available data, has hereby determined that the construction of certain works required for the treatment of sewerage, generally described as Treatment Plant Outfall Force Main, Pumping Station and Appurtenant Sewage Treatment Works herein called the "Project", is desirable and in the public interest, and to that end it is necessary that action preliminary to the construction of said Project be taken immediately; and

WHEREAS, under Section 466e, Title 33, of the *United States Code*, the United States of America has authorized the making of grants to aid in financing the cost of construction of necessary treatment works to prevent the discharge of untreated or inadequately treated sewage or other waste into any waters and for the

purpose of reports, plans, and specifications in connection therewith; and

WHEREAS, the Applicant has examined and duly considered said section of the *United States Code*, and related sections, and the Applicant deems it to be in the public interest and to the public benefit to file an application under said section of the *United States Code* and to authorize other action in connection therewith;

NOW, THEREFORE, BE IT RESOLVED By The Town of Milford, Mass. the governing body of said Applicant, as follows:

1. That the construction of said Project is essential to and is in the best interests of the Applicant, and to the end that said project may be constructed as promptly as practicable it is desirable that action preliminary to the construction thereof be undertaken immediately;

2. That *The Chairman of the Board of Sewer Commissioners* be hereby authorized to file in behalf of the Applicant, application (in the form required by the United States and in conformity with 33 U.S.C. 466e) for a grant to be made by the United States to the applicant to aid in defraying the cost of construction of the sewerage treatment works described above;

3. That if such grant be made, the Applicant agrees to pay all the remaining cost of the approved Project, over and above the amount of the grant;

4. That if such grant be made, the Applicant agrees to make provision satisfactory to the Surgeon General of the Public Health Service for assuring proper and efficient operation and maintenance of the treatment works after completion of the construction thereof;

5. That the said Chairman of the Board of Sewer Commissioners is hereby authorized to furnish such information and to take such other action as may be necessary to enable the Applicant to qualify for the grant;

6. That the said Chairman of the Board of Sewer Commissioners is hereby designated as the authorized representative of the Applicant for the purpose of furnishing to the United States such information, data, and documents pertaining to the application for a grant as may be required; and otherwise to act as the authorized representative of the Applicant in connection with this application;

7. That certified copies of this resolution be included as part of the application to be submitted to the United States, for a grant.

Voice vote unanimous.

Article 29. To see if the Town will raise and appropriate a sum of money for the construction of a treatment plant outfall force

main and pumping station and appurtenant sewage treatment works, and determine whether the money shall be provided for by taxation, appropriation from available funds, or by borrowing under the provisions of Chapter 44 of the General Laws, or by Federal Grant, or otherwise, such sums to be expended under the authority of the Board of Sewer Commissioners, and to authorize the Board of Selectmen to obtain the necessary easements or rights of way therefor and do anything pertaining thereto, or act in any manner relating thereto. (Sewer Dept.)

LEO E. DIEHL, Commissioner

ARTHUR H. MacKINNON, Director of Accounts

October 13, 1964

To the Board of Selectmen
Mr. John P. Pyne, Chairman
Milford, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Milford for the period from March 9, 1961 to May 9, 1964, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

ARTHUR H. MacKINNON,

Director of Accounts

AHM:em

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Milford for the period from March 9, 1961, the date of the previous audit, to May 9, 1964, and report thereon as follows:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined, checked, and verified by comparison with the books and records of the town accountant and the town treasurer.

The books and accounts in the town accountant's office were examined and checked, the recorded receipts being compared with the treasurer's books and with the records of the several departments collecting money for the town. The payments, as entered, were checked with the treasurer's books and with the treasury warrants, while the appropriations, transfers, and loan authorizations were compared with the town clerk's records of financial votes passed by the town meetings and with the finance committee's authorizations of transfers from the reserve fund.

The general and appropriation ledgers were analyzed, the necessary adjustments resulting from the audit were made, and a balance sheet showing the financial condition of the town on May 9, 1964 was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked in detail. The cash book additions were verified, and the recorded receipts were compared with the accountant's books, with the departmental records of payments to the treasurer, and with other sources from which money was paid into the town treasury. The payments were checked with the warrants approved by the selectmen and with the accountant's books.

The treasurer's cash balance on May 9, 1964 was proved by reconciliation of the bank balances with statements furnished by the banks of deposit, by examination of a savings bank book, and by actual count of the cash in the office.

The payments on account of maturing debt and interest were compared with the amounts falling due and checked with the cancelled securities on file. The outstanding coupons on May 9, 1964 were listed and reconciled with the balance in the bond and coupon account, as shown by a statement received from the bank of deposit.

The payroll deduction records for Federal and State taxes, for the purchase of savings bonds, and for group insurance premiums were examined. The deductions were proved, the payments to the proper agencies were verified, and the balances on hand were reconciled with the controlling accounts in the accountant's ledger.

The records of parking meter collections were examined and compared with the treasurer's recorded receipts.

The securities and savings bank books representing the investments of the trust, investment, and retirement funds in the custody of the town treasurer were examined and listed. The income was proved and all transactions and balances were verified and compared with the accountant's books, and, in the case of the retirement funds, with the retirement board records.

The records of tax titles and tax possessions held by the town were examined and checked. The amounts transferred to the tax title account were compared with the collector's books, the reported redemptions were checked with the treasurer's recorded receipts, and the tax titles and tax possessions on hand were listed, reconciled with the controlling ledger accounts, and checked with the records at the Registry of Deeds.

The books and accounts of the collector of taxes were examined and checked in detail. The tax, excise, and assessment accounts outstanding according to the previous audit, as well as all subsequent commitments, were audited and proved. The recorded collections were checked with the payments to the treasurer, as shown by the treasurer's and the accountant's books; the abatements, as entered, were compared with the assessors' records of abatements granted; the transfers to the tax title account were proved; and the outstanding accounts were listed and reconciled with the controlling ledger accounts.

Further verification of the outstanding tax, excise, and assessment accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

It was necessary to do a great deal of detailed checking in order to reconcile the collector's accounts, which added substantially to the time consumed in auditing the accounts.

It is urged that the collector make a determined effort to secure a prompt settlement of all delinquent accounts.

The records of departmental accounts receivable were examined and checked. The charges were verified, the recorded collections were checked with the payments to the treasurer, the abatements were compared with the departmental records of abatements granted, and the outstanding accounts were listed and reconciled with the respective controls in the accountant's ledger.

The financial records of the town clerk were examined and checked. The collections on account of dog and sporting licenses issued, and from miscellaneous licenses and charges, were verified and compared with the payments to the Division of Fisheries and Game and to the town treasurer. The cash book was footed, and the cash balance on May 9, 1964 was proved by reconciliation of the bank balance with a statement furnished by the bank of deposit and by actual count of the cash in the office.

The records of departmental cash collections by the board of selectmen and the sealer of weights and measures, as well as by the police, fire, health, highway, school, library, recreation, and ceme-

tery departments, and by all other departments in which money was collected for the town, were examined and checked. The payments to the town treasurer were verified by comparison with the treasurer's and the accountant's books, and the cash on hand in the several departments was proved by actual count.

The surety bonds of the officials required by law to furnish them were examined and found to be in proper form.

In addition to the balance sheet, there are appended to this report tables showing reconciliations of the several cash accounts, summaries of the tax, excise, assessment, tax title, and departmental accounts, as well as schedules showing the transactions and condition of the trust, investment, and retirement funds.

During the audit cooperation was received from the several town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,

Assistant Chief of Bureau

Report of the Board of Health

To the Honorable Board of Selectmen
and to the Citizens of Milford:

Dr. Nicholas J. Capece was re-elected Chairman of the Health Department for the twenty-third year. Harris Tredeau and the new member Joseph F. Power make up the Board of Health.

The following were re-appointed by the Board: Clerk-Agent and Sanitary Inspector, Adam F. Diorio; Nurse, Alice Fitzpatrick; Physician, Dr. Eugene E. Allen; Dentist, Dr. Hugo A. Andreotti; Plumbing Inspectors, Charles J. Ferrante and Savino N. Mele; Meat Inspector, Philip Roy; Assistant Meat Inspector, Adam F. Diorio; Burial Agent, Oscar Ayotte and Robert E. McGinnis; person to receive and report contagious disease, Adam F. Diorio.

Due to the dry summer season, the rat program was broadened to cover the Dam area of the Milford Pond and the surrounding properties. Complaints have been received from citizens of the Water Street, Green Street and the area through which the Godfrey Brook travels of rat infestation. The Board advises the townspeople to keep their yards clean of empty cans and fruit cores.

Tree Warden Joseph Graziano handled the mosquito program again and was very successful in spraying three times during the early Spring and Summer.

The Board has been seeking an answer for the town dump. The members have conferred with the Board of Selectmen and with the State Engineer from the Central Health Board with a view of correcting this condition.

The program to clear the town of dilapidated houses is still underway. One house was razed and there are four more the Board is working on with the assistance of the Board of Selectmen and the Fire Chief. We hope the townspeople will co-operate with the local Board to make Milford a better place in which to live.

The Pigeon program initiated by the Board is progressing and it is hoped the townspeople will continue to co-operate in this program. The Pigeons carry the dread disease called Psittacosis which they transmit to humans.

The air pollution program has been given an O.K. by the State Engineer and complaints have been relatively few this year. As mentioned above, the Board is seeking a solution for the dump smoke. A meeting is planned with the Clerk of the Board and Mr. Gilbert Joly, Engineer for the Central Health Board. Their findings will be reported to the Selectmen in a joint meeting this winter.

IN DEEP GRATITUDE

Frank Calzone, a senior member of the Board of Health for the past 25 years, retired from active participation in Milford's health affairs and problems. He was instrumental in forwarding the many health improvements in his many years of service. Always diligent and accurate in his decisions, the Board regrets having to lose his counsel. The Board wishes him God speed and good health.

Spaced physical examinations were given to the students by the Board of Health Physician, Eugene E. Allen, M.D. Notices of defects found were sent home to the Parents or Guardians for the corrections to be made by their family physician.

The Massachusetts Vision Test, and the Audiometer Hearing tests were given during the school year, and follow-up work done to be sure corrections had been made.

The Dental Clinic is held each school day morning for all students in all the schools up to the sixth grade. Hugo A. Andreotti, D.M.D., is the School Dentist.

Any students with special health problems are referred to the Wrentham State School, Boston Children's Hospital, or to the various clinics held in this state. Follow-up work is done on these children each year, and their names and clinic, or doctor they are under the care of, is sent into the State each year. Anyone needing help in contacting any of these clinics may call the Board of Health.

CLINICS

Three Antigen Clinics were held at the Memorial School for pre-school and younger children who had never had the required number of doses to be immunized. Three doses are needed for immunization. Booster doses were also given at these clinics to all who signed the request slips.

Eugene E. Allen, M.D. is the attending physician at all the clinics.

An Antigen Clinic was held at the Memorial School in the morning, for the pre-primary class at Sacred Heart, and all the first graders in all the schools. Booster doses of Double and Triple Antigen were given to all students who had the request slips signed.

A Double Antigen Clinic was held at the Memorial School for all the sixth graders, and for the Juniors in the High Schools. Booster doses were given to all who requested it.

A Vaccination Clinic was held at the Memorial School for the new babies and for the pre-school children who have never been vaccinated against Small-Pox.

Three Sabin Oral Polio Clinics were held at the Memorial School for the new babies born, and for all the children and adults who had not had the required number of doses needed for immunization. Types I, II, and III were given at each clinic.

A Chest X-ray Clinic is held at the Milford Hospital the second Wednesday of each month excepting the months of July and December. Time of this clinic 3 to 5 P.M. Patients using this clinic must be referred by their family physician. Appointments for these clinics must be made by calling the Board of Health Office, and leaving your name.

Report of the Milford Zoning Board of Appeal

To the Honorable Board of Selectmen
and the Citizens of the Town of Milford:

The Zoning Board of Appeal submit the following report for the year of 1964.

Forty-two meetings were held at our office in Dewey Hall.

Thirty-six applications were received for variance.

Thirty-three applications were approved.

Three applications were denied.

Several investigations were conducted on complaints received by the Board.

During the past year two changes have taken place in the membership of the Board.

In January 1964, William L. Whalen, a member of the Board for several years, resigned and Francis E. Larkin, a former member of the Board, was appointed by the Selectmen to fill the unexpired term of Mr. Whalen, until July, at which time Mr. Larkin was again appointed by the Selectmen to a full three year term, which expires in 1967.

In November, John L. Moschilli, a member of the Board and Chairman for several years, resigned at which time Atty. Victor E. Piscitello was appointed by the Selectmen to Mr. Moschilli's unexpired term which ends in July 1966.

At the December meeting Mr. Larkin was elected Chairman of the Board and George O. Stewart was elected Secretary.

The rate for applications for variances has been increased from \$8.00 to \$15.00.

Respectfully submitted,

FRANCIS E. LARKIN, *Chairman*

GEORGE O. STEWART

VICTOR E. PISCITELLO, *Secretary*

Report of Police Department

January 8, 1965

The Honorable Board of Selectmen
Town Hall
Milford, Massachusetts

Gentlemen:

It is my pleasure to submit the following report of arrests and other duties performed by the Milford Police Department during 1964.

Sgt. John J. McGrath, Director of the Auxiliary Police, has continued the fine progress with this unit for the year 1964. They are a most essential unit in an emergency, for without their assistance the Department would be sorely taxed.

The Town voted to proceed with plans for a Police Station. The Police Station Building Committee has proceeded and plans have been secured with the aid of the Federal Government and the Committee will have articles in the Town Warrant to proceed with construction. I sincerely hope that they will meet the approval of the Town Meeting.

Your Department has continued the policy of sending men to the various Police Schools, with Officer Conley completing a two week Special Course in integration given by the F.B.I.

I take this opportunity to thank the Board of Selectmen and all other Town Departments for their cooperation during the past year.

Respectfully submitted,
WILLIAM F. FITZPATRICK,
Chief of Police

Report of the Board of Sewer Commissioners

FOR 1964

To the Citizens of Milford:

The Board of Sewer Commissioners respectfully submits its report on operation, maintenance and new construction of the Milford Sewerage System, for the year 1964.

Collecting System:

Routine maintenance and flushing of street mains and connections was accomplished as required.

Street sewers were constructed under contract by Town appropriations as follows:

Highland Street—prior to street reconstruction, from Station 21+24 to Station 25+93.

Size	Length
8"	469 ft.

Street sewers were constructed by private construction in the following locations:

Iadarola Avenue (Extension).....	8"	400 ft.
Teresa Drive	8"	252 ft.
Cunniff Avenue (Extension)....	8"	423 ft.
Princess Pine Lane and Interceptor from Stony Brook to		
Oriole Drive	8"	415 ft.
Oriole Drive	8"	972 ft.
Stony Brook Lane (Extension)	8"	201 ft.

Total Construction	3,132 ft.
	= 0.593 miles
Previous Construction	35.935 miles

Total Length of Sewers.....	36.528 miles
-----------------------------	--------------

In addition sewers are under construction by private contract in West Fountain Street and development streets off West Fountain and Highland Streets, not yet accepted by the Town, the lengths to be reported when accepted.

Service Connections:

New Service Connections Added	124
Total Connections	3036

In addition to these services, connections to new houses are being constructed in the West Fountain and Highland Street development, to be reported when recorded.

Pumping Stations:

Operation and maintenance of the existing pumping stations were accomplished, listed as follows:

Charles Street	—	Centrifugal Pumps
Medway Road	—	Centrifugal Pumps
Birch Street	—	Centrifugal Pumps
Dilla Street	—	Ejector (1) 30 gal.
Depot Street	—	Ejector (1) 50 gal.

New duplex centrifugal pumps were installed at the Purchase Street station, replacing the single ejector, and these units were placed in operation on November 23, 1964.

Treatment Plant:

Routine operation and maintenance at the treatment plant was accomplished, including painting of filter distributing units.

General:

Town funds for improvements at the Charles Street Station, with increased force main capacity to the sewage treatment plant were appropriated at the March town meeting. Preliminary surveys and design have been made and presented to the State Health Department and Public Health Service for preliminary approval with the application for Federal Grant, and the offer of the Grant was received by the Town December 16th. Acceptance of this offer has been made and this will enable work of final preparation and construction to proceed during the 1965 construction season.

Respectfully submitted,

GUIDO SABATINELLI, *Chairman*

Report of Sealer of Weights and Measures

To the Honorable Board of Selectmen:

I submit my report as Sealer of Weights and Measures for the year ending December 31, 1964.

I notified in compliance with provisions of Section 41, Chapter 98 of the General Laws of Massachusetts, as amended, giving notice to all persons, that all scales, and measuring devices, for the

purpose of buying and selling goods, wares, and merchandise, to be brought in and these devices be tested, adjusted, and sealed. I then inspected all places of business in the Town of Milford.

In general the repackaging of meats, vegetables, milk, butter and sundry foods, I weighed 1,201 packages, 190 overweight, and 179 underweight.

	Sealed

Report of the Park Commissioners

January 14, 1965

Honorable Board of Selectmen, Milford, Mass.

Gentlemen:

We hereby submit our annual report for 1964 with financial report appended.

All the parks under our care namely Draper, Bancroft, Calzone, Tomaso Field and Town Park were maintained and a new sidewalk was installed on Spruce Street.

Another tennis court was sealed and much to our disappointment, three vain attempts were made by our employees and through the cooperation of the Fire Department to flood two tennis courts in Town Park. After correcting a problem in levelling, it was vandalism that ruined the plastic used to hold the water. It was not only discouraging but costly.

It is hoped some other area in town can be made ready and used for a skating rink employing another method for the preparation of it.

We hope to install lighting for tennis courts this year at the request of numerous tennis enthusiasts. Also seal the three sidewalks going through Town Park to preserve them.

The Playgrounds under the able direction of Mr. Robert Pagnini and his assistant, Joseph Arcudi, had a good season. With the cool weather attendance was higher than ever. Intra-playground sports were enjoyed with most of the activity centered around Town Park which is widely used.

The children enjoyed a trip into the Red Sox game and the annual Field Day was held at Town Park with trophies awarded to the winners of the various categories.

We want to extend our sincere thanks to all for their help during the year.

Respectfully submitted,

ANGELO FERRARIO, *Chairman*

Report of the Milford Planning Board

To the Honorable Board of Selectmen and
Citizens of the Town of Milford:

The Planning Board held regular bi-monthly meetings during the year at its office at 126 Main Street, with the exception of June, July, and August when only one meeting was held each month. The Board also held many "Special Meetings."

Many plans, not requiring approval, were submitted to and signed by your Board; also a number of subdivisions were submitted for consideration. The following large subdivisions were approved: *Ridgewood-at-Milford* and *Briarwood*, subdivider: Andrew J. Lane; *Shadow Brook Park*, subdivider: John and Louis Consigli; the Consigli Construction Co. subdivision of Mr. Henry Consigli and a subdivision of Mr. Joseph Rosenfeld. Currently there are approximately 2,000 lots approved for building.

The Master Plan is progressing; a number of meetings have been held and preliminary studies have been distributed to the

various Boards and Officers of the Town. A number of articles concerning recommendations of the Master Plan Consultant have been inserted in this year's Town Warrant.

The Building Code Committee, made up of seven members, has drawn up a Building Code which will be acted on at this year's Town Meeting; and the Planning Board wishes to thank Mr. Fred Clarridge, Mr. Robert Curtiss, Mr. Matteo Rossacci, Mr. Robert Symonds, Mr. Charles Goucher, Mr. Donald Phillips and Atty. Alfred B. Cenedella, Jr. for their excellent work.

We wish to thank our town officials for their co-operation throughout the year.

Personnel Board Report

January 18, 1965

To the Honorable Board of Selectmen
and the Citizens of Milford:

The Personnel Board wishes to express its appreciation for the courtesies that have been accorded them and for the cooperation that they have received from the Selectmen, other Town officials and Town employees.

The Board also welcomes the opportunity to submit what we feel is a report of progress in establishing equitable salaries for all employees who are under the control of the Wage and Salary Administration Plan.

For the purpose of establishing a fair and liberal wage scale one of the steps that we take is to compare our schedule of wages with those of 26 other communities with a population range of from 15,000 to 26,000 inhabitants.

The substantial, and in some cases overdue, increases that we granted last year placed our wage schedule in most cases in a very favorable position with regard to the average wage paid in these 26 communities for comparable job classifications.

The increases recommended for 1965 while not as general as those of last year will further improve the attractiveness of our wage policy and we have every intention of bettering our schedules as conditions warrant so doing.

To accomplish our objectives and to justify our existence we feel that a Personnel Board that is practically and sincerely motivated is deserving of the active support not only of Town officials but also of Department heads, Town employees and Tax Payers.

We again recommend as we did last year that the Townspeople give immediate consideration to the appointment of a Town Manager or of an executive Selectman whose duty it would be to supervise the activities of all Departments and employees and to supply the guidance and control that is needed in a Town of this size if its affairs are to be conducted in an efficient and economical manner.

Respectfully,

JOSEPH D. BLASCIO,

Chairman

Town Counsel's Report

To the Honorable Board of Selectmen:

I hereby submit the report of my activities and the Town Counsel's Department for the year 1964.

Claims and Suits Against the Town

During the year 1964 there were nineteen (19) claims brought against the Town for personal injuries and property damage. Of this number, seven (7) claims were settled. Only one (1) claim was put in suit and is still pending. There remains twelve (12) claims of 1964 outstanding, of which one (1) is in suit.

There was a total of twenty (20) claims pending against the Town prior to 1964. Of this number, four (4) claims were settled, and five (5) were disposed of as follows: one case was tried before a Jury in the Worcester Superior Court in which there was a finding for the Town; one case was settled in the Worcester Superior Court and the defendant paid costs to the Town; one case was tried in the Milford District Court and there was a finding against the Town and on appeal to the Worcester Superior Court the Town prevailed; one case was tried in the Worcester Superior Court before a Master and there was a finding for the plaintiff. There remains eleven (11) claims brought prior to 1964 outstanding, of which three (3) are in suit.

SUMMARY: There are a total of twenty-three (23) claims outstanding against the Town, of which four (4) are in suit and pending in Court.

In addition, there are presently two (2) cases pending in the Appellate Tax Board against the Town brought prior to 1964.

Claims and Suits Brought by the Town

In 1964, six (6) suits were brought by the Town. Of this number, one case was settled favorably for the Town; and one case was tried in the Milford District Court and there was a finding against the Town. Four (4) cases still remain outstanding: one in the Worcester Superior Court brought on behalf of the Planning Board; two in the Milford District Court brought on behalf of the Tax Collector; and one in the Worcester District Court brought in behalf of the Town for property damage done to a fire alarm box.

There is also one suit brought prior to 1964 which is still pending in the Worcester Probate Court.

The following is a breakdown of the account:

Continuing the precedent established, in 1964, my first full term as Town Counsel, I rendered opinions and legal advice to the Board of Selectmen. I attended nearly every meeting of the Board, and I made myself available to the Board and the townspeople attending the meetings.

During the year I rendered twenty-three (23) written opinions to the Planning Board, Town Accountant, Sewer Board, Highway Department, and Finance Commission. In addition, I gave oral advice and assistance to every department of the Town.

I continued to file answers in the cases in which the Town was summoned as Trustee, and I assisted the Town Treasurer in his Tax Title accounts. The Board of Health was given assistance in regard to distressed properties. I conducted a hearing for the Vernon Grove Trustees. Also, I prepared by-law amendments, sewer assessments, specifications for contracts and prepared for any possible land-damage cases on Highland Street.

In an effort to keep the office of the Town Counsel informed on the many complex problems of municipal law and government, I attended at my own expense, monthly meetings of the City Solicitors and Town Counsel's Association in Boston.

The following is a breakdown of the account:

Town Counsel Salary		
Appropriated in 1964	\$	1,573.00
Total Expended in 1964		1,573.00

At my urging the Finance Committee recommended to the Town Meeting members that the Town Counsel receive an appropriation for miscellaneous expenses. Out of this account are paid many items that would have to be referred to the Selectmen and paid out of their account. This expense account is a better method to provide for a more efficient law department in the Town. No monies are received by the Town Counsel from this account.

The following is a breakdown of the account:

Annual Report of the Board of Selectmen

The present Board was elected on March 2, 1964 at the Annual Town Elections. On March 3, 1964 the Board was organized and John P. Pyne was elected Chairman for the year. The Board then proceeded to make their annual appointments.

The Annual Town Meetings were started on March 11, 1964. Some of the highlights of this year's meetings were: the creation of a School Building Committee to acquire land for school building need; an appropriation for the operation of the Blackstone Valley Vocational Regional School; a by-law requiring all town motor vehicles to display the town seal and the words, Town of Milford, and the name of the department; approval for the application for federal financial assistance for a sewage treatment plant; a relocation of West Fountain Street; and money for Highland Street construction.

The various buildings under the control of the Board were maintained as economically as possible. This was done with an alert eye to the immediate future and what the Master Plan might recommend. However, improvements were made in the offices on the westerly side of the Town Hall as new lights and fixtures were installed and the offices were painted. Some outside repairs were also made to the Memorial Building. The Board voted to accept a surrender of the lease held by the Braggville Community Club, Inc. and then leased the premises on East Main Street to the Milford Area Retarded Children's Association, Inc., a worthwhile organization which needed local quarters.

The Board has acted to take control of the Post Office Building on Main Street. The G.S.A. has broken ground on their new Congress Street site and commenced to build a new Post Office. The Board is aware that under law the old Post Office will be offered to the Town for purchase. As soon as the Master Plan is released the Board will make its recommendations to the Town for a possible use of the building on Main Street.

The Board was happy to grant a license under Chapter 148 to the Benjamin Moore Paint Co. This new industry has now settled in our town at the Industrial Park. They have spent considerable amount of money for renovations of the plant and we wish them success and a long stay in Milford.

During the year the Board appointed the Town Counsel to represent them at a hearing in Milford with our local State Representatives and D.P.W. Waterways' Commissioner and Engineer.

The meeting was held in Milford to determine how the second phase of the Charles River Flood Control Program could be accelerated. A time table for the scheduled work was given and the second phase should be commenced and terminated in the year 1965.

Street lighting was again increased as much as the budget would allow and in the interest of public safety. During the year many individual requests were received for street lighting. The Board advises that it must proceed as recommended by surveys and in accordance with recommendations of our Police and Fire Chief.

The Board displayed a very high interest in an orderly highway program and control of traffic on our streets. Highland Street has been newly constructed and rebuilt with Chapter 90 assistance. The second portion of Congress Street was re-surfaced to alleviate driving conditions on that segment of the road. The Board held several conferences in Worcester to determine an orderly program and schedule with the D.P.W. West Fountain Street has been relocated and it will also be considered in the reconstruction of Highland and Congress Streets. The Board also journeyed to Boston to hear D.P.W. Roads' Commissioner reveal the timetable and location of federal Route 495. This highway will certainly have a tremendous impact on our community and the Town must be ready to handle the immediate problems that will develop.

In a further attempt to continue a highway program leading out of Milford, the Selectmen assisted in organizing this area's portion of the Boston Regional Planning Project. The Board then selected a representative from Milford to attend the meetings of this important committee and report to the Selectmen.

The Board initiated on its own, and received from many of the townspeople, requests for installation of stop signs and other traffic controls. Again, these actions were taken to hold down and to prevent automobile accidents on our roads.

With the development of the northern part of our community the Board was eager to participate in the committee created by the Town Meeting to seek a location for a possible new school. Certainly the construction of several hundred homes will eventually demand more classrooms, recreational facilities and other municipal programs. With this in mind, the Board supports, a new Zoning Code and Zoning Map, a Building Code, and a Building Inspector. The Board feels all these and more will be essential to our community development.

As a result of complaints brought to the Board's attention by the Board of Health and the Fire Chief, the Board declared that it would assist and cooperate with these two boards to take action on dilapidated homes and buildings. The Board requested all owners

of distressed and rundown property to make improvements immediately to help make our community attractive and clean.

The Board members again voted to remain active in the Worcester County Selectmen's Association and the Massachusetts Selectmen's Association. These organizations are an effective voice for the Towns to stop the invasion of local government and allow home rule.

Finally, the Board wishes to mention that it realizes that the burden on our taxpayers must be relieved. The only solution is a broader tax base in one form or another. Unless some relief is given the already over-burdened home owner, we cannot face a realistic program of capital improvements. The Town has voted to request a Master Plan; the plan will soon be released in its entirety. If the plan is to have any vitality expenditures must follow. Yet, we cannot go forward with only receipts levied on our real estate; nor continue to borrow and near the peak of our bonded indebtedness. We need, and we will continue to need, another source of revenue to defray the high costs of operating our community.

In conclusion, the Board wishes to thank their Executive Secretary, the Town Counsel and all the Town Officials, Departments and Committees who worked in harmony with the Board and responded to our requests.

Respectfully submitted,

JOHN P. PYNE, *Chairman*

Selectmen of Milford

Annual Report of the Tax Collector

January 12, 1965

Honorable Members
Board of Selectmen
Milford, Mass.

Gentlemen:

Accompanying this letter is the statistical part of the report of the Tax Collector's office and its handling of over two million dollars.

We have experienced a very trying year, starting with the Town Meeting in March. The Tax Collector is operating without the power of appointing an Office Deputy Tax Collector. Such a deputy is a legal requirement of both the Commissioner's Office and the bonding company.

The ever increasing value of the Motor Vehicle tax plus the fluidity of the inhabitants movements from town to town make speed in collecting a very important item. To this end the Tax Collector calls attention to the need of additional clerical help at the several times of peak activity. Qualified help can only be obtained if satisfactory hourly pay is available.

To your department and to the several departments always ready to help this is my chance to say thank you.

Very truly yours,

CYRIL F. KELLETT,

Tax Collector

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and the
Citizens of the Town of Milford:

Herewith I submit respectfully the eighty-sixth Annual Report of the School Department and eighteenth as Superintendent of Schools.

As was the case last year, the Administrators of your School System addressed themselves and their efforts toward the implementation of the recommendations contained in the report of the Center for Field Studies of Harvard University and in the report of the New England Association of Colleges and Secondary Schools.

In the area of Personnel to staff our schools, I am happy to announce that great progress was made during the year. We were able to recruit excellent teachers for our classes and retain as well our better teachers in the school system.

Members of the School Committee were greatly responsible for our success in this matter. Both as individuals and collectively, they proved dedicated to the concept of top quality teachers for Milford Schools for the direction and guidance of our children.

A refinement in our salary schedule enabled us to attract our new teachers, while we retained the better teachers already in our system. I trust sincerely that this condition will continue to prevail as we come to grips with future personnel problems.

Following recommendations of the reports mentioned previously, an additional nurse was added to the department and another clerical assistant was engaged. In both of these fields there was a definite need for more assistance and the efficiency of the department has been enhanced by the additional personnel.

In the matter of School Plant, I am inclined to emphasize the recommendations made in the annual report of last year and to stress the necessity and urgency of implementing those recommendations.

These recommendations involved a new senior high school building, conversion of present high school for use by grades 6, 7 and 8 and conversion of Stacy School for use by elementary grades.

It was indeed gratifying to have a School Site Acquisition Committee appointed by Moderator John F. Curran at the Town Meeting last March. This Committee worked very diligently throughout the year and will submit a report on the acquisition of

land for school construction to the Town Meeting to be held in March 1965.

The authorization to create this Committee and its appointment constitute the first steps in providing school building facilities needed currently and even more pressingly in the future. Once land has been acquired by the town, hopefully the matters of planning and then construction will proceed logically.

In this problem of plant facilities the item of time becomes involved increasingly. With the passing of each day our enrollments are growing larger. Between June and September we added exactly 156 pupils. We are hard pressed to find classroom space in which to house and accommodate the numbers of pupils seeking admission. This condition prevails in spite of the suspension of seven classes of pre-primary or kindergarten grade.

During 1964 Milford witnessed a sharp increase in residential growth. Investigation points to a continuation of such growth in home building and all of this is translated into more and more pupils seeking to be enrolled in classrooms already crowded.

Obviously we need more schools, more classrooms and we need them presently.

I point out these problems which confront the school department and in our efforts to find solutions I humbly yet sincerely solicit the cooperation and assistance of everyone in our Town.

School Program

With the exception of minor changes in curriculum, there is little which might be done to improve our Program.

However, there are several areas in which our Program could be expanded and improved if and when the proper facilities are made available.

SUPERINTENDENT'S REPORT

Board of Public Welfare
Town Hall
Milford, Massachusetts

Gentlemen:

I respectfully submit the following report for the year 1964.

During the year 1964, the Milford Public Medical Home has operated efficiently and with a full quota of patients, plus new improvements which have been completed.

The elevator was first put to use on February 22, 1964, which became a great asset to the home. A larger tank was installed with proper pressure and greater volume in order to meet state regulations. Two utility rooms were renovated with tile floors for better sanitation.

I would like to take this opportunity to thank my entire staff for their grand cooperation extended to me throughout the year, and to extend my sincere appreciation to Mr. James L. Ahearn and his entire staff and also the members of the Board of Public Welfare for their kind support through the year.

Very truly yours,

(Signed) EMILIO A. PIGHETTI, Supt.

Welfare Physician's Report

January 20, 1965

Board of Public Welfare
Town Hall
Milford, Massachusetts

Gentlemen:

I respectfully wish to submit the following report on my activities as Town Physician for the period from January through December 1964.

During the past year, I have treated patients on General Welfare in the various rest homes in town, in their homes, and in my office.

Throughout the year, I made an average of six calls weekly to the Milford Medical Home which during 1964 was filled to capacity. The Medical Home continues to fulfill an urgent need for the elderly of our community who require nursing home care.

In this connection, I am very pleased to report that through the cooperation of the entire staff and of visiting physicians, the Medical Home has been operated with a maximum of efficiency. The patients have received the best possible care. I am deeply grateful to the nursing staff, and the other personnel who have done their work with enthusiasm and devotion, which is attested to by the fact that the majority of the nurses now on duty have been part of the personnel for many years.

I wish also to express my appreciation for the pleasant relations and cooperation extended to me by Mr. James Ahearn, Mr. Emilio Pighetti, the members of the Welfare Board, and the entire staff of the Welfare Department.

Very truly yours,

(Signed) G. S. NOSSIFF, M.D.

Respectfully submitted,

CHARLES H. RIZOLI, Chairman
